

# BIRNHAM WOOD

GOLF CLUB

*Birnam Wood is a grand dream  
come to life... It is a careful, most  
tender salute to bountiful nature.  
It is the sighing whisper of a  
lemon-scented breeze.*

---

Infused with California charm, *Birnam Wood Golf Club* is a hidden gem, offering members a premier, full-service experience in the awe-inspiring natural landscape between mountain and sea. Tucked into the middle of a prestigious gated community in the heart of Montecito, Birnam Wood enjoys a unique sense of privacy– a place of relaxation, recreation, and reflection.

With an inviting atmosphere that inspires a deep sense of camaraderie among the membership, Birnam Wood is a haven, a place where families and friends go to have fun and make lifelong memories.

## *“A Thinking Man’s Course”*

Nestled beneath Montecito’s purple hills, the 18-hole golf course at Birnam Wood offers year-round, matchless play. The course was developed by legendary golf course architect Robert Trent Jones Sr., who called it a “thinking man’s course.” He considered Birnam to be one of his very best designs, describing the 80-acre links as “the best short course I ever built.” Each hole is challenging as well as exciting, and multiple tee sets provide an appropriate test for golfers of all skill levels. Members relish the ability to walk on the course without making a tee time, and Birnam’s challenging green complexes and strategic bunkering assure that strength alone does not carry the day.

Members enjoy access to our staff of highly qualified PGA teaching professionals, and master their game at our expansive practice facilities, which include a newly renovated driving range and a state-of-the-art indoor golf simulator. A full calendar of mixed events, tournaments and invitationals provide friendly competition throughout the year and round out the outstanding golf activities at Birnam Wood.

## *A Stay to Remember*

Much like the club itself, the guest cottages at Birnam Wood are truly a home away from home for members and their guests. The club's 18 beautifully renovated cottages offer your guests all of the privileges of a private club while providing luxury and comfort no less that you would offer in your own home.

Our cottage accommodations range from a single bedroom to three-bedroom master suites complete with a living room, full dining room, and kitchen. A favorite for out-of-town members, the elegant yet modern cottages can be used for a brief visit or long-term stay.

Sponsored guests enjoy access to all club amenities. Those who stay with us appreciate comforts like daily newspaper service and 24-hour security and the convenience of a location nearby to all of the attractions in the Santa Barbara area.

## *A Passion for Quality*

Birnam Wood is frequently cited by members and guests as “the best restaurant in Montecito.” Members are welcome for breakfast, lunch and dinner in a variety of settings to suit the occasion. ## *Membership*
